EUROPEAN PARLIAMENT

MENTAL HEALTH ACROSS GENERATIONS

An event dedicated to exploring and understanding the diverse dimensions of mental health within different age groups. From children to the elderly, this event offers a unique opportunity to delve into the challenges and triumphs associated with mental well-being. Engage with expert speakers and join discussions, as we foster empathy, awareness, and support for mental health across generations. Let's come together to break the stigma, build resilience, and create a community that prioritizes the mental well-being of every age group.
