Dear Friends and interested people,

how do LGBTIQ* gain more influence at EU level? Is the establishment of a specialized or coordinating body for LGBTIQ* seniors in the European Union an effective instrument? This are questions we would like to discuss with you. Today we are happy to officially invite you to the Workshop: Older LGBTIQ* in EU Policy.

The workshop will take place on October 1, 2021 from 11:00 am to 15:00 pm via Zoom

We would like to discuss with you the goals and strategies of political advocacy for older LGBTIQ* in Europe. For this we would like to know about your experiences with EU policy structures and european networking on LGBTIQ* and age. The workshop will start with an inventory: Are there already existing policies regarding LGBTIQ* seniors in the EU? Which strategies are you pursuing in your member countries? Which national interests are already implemented or planned?

For a special input, we invited several people looking at EU policies for LGBTIQ* and/or elders from different directions:

- Estelle Huchet will report about AGE Platform Europe and their tasks.
- Terry Reintke, Co-Chair of LGBTI Intergroup EU-Parliament, will talk about how the political concerns of LGBTIQ can be anchored in parliament.
- A representative of ILGA Europe (requested) will report on the experiences of the central LGBTIQ* NGO at EU level.

We are looking forward to meeting you, to hear about your ideas and your work.

Kind regards
